Dear Christ Lutheran Church,

After extensive deliberation and discussion, on May 16, 2017, CLC Council voted unanimously, with full support of the Office of the Bishop, to sever employment of Don Marxhausen effective May 17, 2017. The action is for cause due to a series of Don's intentional actions and incidents that have occurred repeatedly to the detriment of the congregation. Due to the sensitive nature of this matter, Council will not share specifics of these actions but asks that the congregation continue to trust Council's work and decision in this matter.

We understand there may be hurt and confusion around this decision. Please direct any inquiries to either Pete Koury as Church Council President or Steve Schaeberle as Church Council Vice President and Personnel Team liaison.
