

## **Sunday School Mission Project: Creative Christmas for Pueblo De Dios**

We are collecting creative items for the children of Pueblo De Dios. This is a Lutheran Church in Compton, California that our high school youth visit and work with on a regular basis. These children have little in the form of Christmas gifts and we send them special gifts from the children of Christ Lutheran Sunday School.

There are 3 ways you can donate:

1. Bring in a shoebox filled with craft items, wrapped in Christmas paper, and marked "boy" or girl." You may place the box in the bin by the Sunday School table in the Narthex.
2. Buy craft items and place them in the bin in the Narthex. We are working to fill the bin with NEW paints, crayons, legos, lincoln logs, color wonder, paper, glue, play dough, markers, scissors, craft kits, anything that is creative!! Many of us have those crafts we were going to do but didn't...if they are unused, bring them in and put them in the bin!
3. Give us a donation and we will buy the supplies! Please put "Creative Christmas" in the memo line.

We will separate the items into boxes, wrap them, and ship them to Pueblo De Dios!

Please make all donations by the first Sunday in December so we have enough time to get the boxes ready and shipped to our friends in Compton! Please contact Allyson Evans at [clchrsundayschool@gmail.com](mailto:clchrsundayschool@gmail.com) with any questions. If you are interested in helping get the donations purchased, sorted, wrapped, boxed, please let me know!

Peace,

Allyson Evans  
CLC Sunday School Coordinator
